PRESIDENTS REPORT

Throughout the season and year I was privileged to have a very proactive committee helping to steer the club. Many tasks were taken on with success, including a substantial reduction in our insurance policy, under club post replacement, front steps and kerb/guttering and a new door replacing one that vandals smashed. The committee met with consultants of LMCC regarding the future direction for facilities and events. Also SLMASC are involved with the LMCC / Newcastle University with a view to setting up a Centre of Excellence to foster sailing participation. Lawns mowed and club painting, a gold star effort.

The Presentation and AGM have had to be postponed numerous times which was disappointing. The rules day has also been cancelled, we do intend having it when restrictions allow.

To the winners of the Club Championships and Point Scores, congratulations. Notification of the Special Awards will be held over till the start of the season.

As to our reduced membership, the club will need to consider if we become a Discover Sailing Centre with an instructor to try and bolster new membership.

We still have Laser Coasts, Impulse States and Nationals on this seasons program. I look forward to hopefully starting the season on the 12th September with the Yachts and Dinghies competing.

Thank you to all that have helped to support our club.

Regards **Alan Caldwell - President SLMASC**

CLUB PROMOTION

We are trying to promote the club within the local community to try and attract more people to take up sailing and join the club. One of the best ways to do this is via social media. We have a Facebook page under "Team SLMASC" so if you have any good photos, results, news, stories etc please share them to the page and our web administrators will make sure that they are displayed.

If we do manage to attract interest from potential members they may choose to attend our learn-to-sail classes on Sunday mornings from 11am or they may be more interested in yachts. If you would be prepared to take some newbies out on a Friday race to get them hooked, please let the club know.

YACHTS SIGN ON

As per Australian Sailing instructions and Covid 19 rules, all yachts must sign in with names and phone numbers of all people on the boat that is racing.

Before each race the skipper or owner must send a text to the club advising names and phone numbers of all on board.

Twilights 0478 906 523

Sundays 0439 736 162

This must be done for every race.

COVID 19

We must follow the Covid-19 Safety Plan.

Please do not attend if you are unwell or have been to a recent hotspot

You must check in via the QR Code while you are at the club, for contact tracing purposes

Social Distancing, good hand hygiene, Hand Sanitizer will be provided around the club for use at the club
